

Christ for the Nations Summer Outreaches 2019

Romania – Arise!

Leaders: Esther & Levi Buliga

Dates: May 14th - June 6th

Cost: \$2,980

Romania was under strict and harsh communist rule for over 40 years. The Gospel was forbidden and local churches were shut down. Over 20 years ago, with the end of communism, citizens were left directionless and in constant fear. The Romanian people experienced extreme poverty, persecution and hardship. This nation is still experiencing the aftermath of the fall of communism, struggling with corruption, and a lack of direction.

Despite all of this, there is still a hunger and a thirst for the gospel and the love of Christ. We will spend 3 weeks doing evangelism on the streets, working with children, preaching in the local churches, leading people in worship and impacting local pastors.

If you have a heart for the lost and desire to see the lives of people changed, join this outreach. We need worshipers, evangelists, students who like to do children's ministry and mainly who love the brokenhearted. Be ready to serve, love, be bold to spread the Gospel and fall in love with Romania. We invite you to be witnesses of seeing this nation arise!

Haiti is one of the poorest nations on the planet. The World Health Organization lists it as the most "food insecure" country on Earth. Going to Haiti is an intense, emotional experience with highs and lows. You'll see things that you've never seen before and poverty on a level beyond imagination. You will truly be bringing the Gospel to the poor. We will be doing children's ministry, day camps, food distribution, laying hands on the sick, church ministry, building projects, visitations to the needy, and possibly distributing medical supplies and clinic work.

Leader: Vitor Goncales

Dates: May 17th – June 3rd

Cost: \$1,600 - \$1,750

“The Voice of Healing has not been silenced!” That was the word we got for the Florida Summer outreach last year. We hit the road across several states in the U.S.A. 3,400 miles driven, 3 states, 6 cities and 12 different ministries were visited by our team where God poured out His love and compassion for the American people. We witnessed dozens of salvations, supernatural healings and baptisms of the Holy Spirit wherever we stopped through the trip.

Join us today! America shall be saved, and the healing movement is more alive than ever!
