HISTORY

Gordon and Freda Lindsay established Christ For The Nations Institute in 1970. Twenty-two years earlier, they were publishing a magazine called *The Voice of Healing* to report healings and supernatural miracles that were occurring throughout the world. In 1967, they changed the name of the magazine to *Christ For The Nations* and began using it as a teaching tool to promote the Pentecostal/Charismatic perspective of the Bible. In September 1970, the Lindsays established a two-year Bible school called Christ For The Nations Institute.

Dennis Lindsay was elected president in 1985, and two years later, he began to enlarge the school with a third year program. Today, Christ For The Nations Institute offers Bachelor degrees with concentration in seven different majors. In December 2015, Golan Gordon Lindsay was elected Chief Operating Officer and together they lead the school with Kiplin Batchelor, who was appointed Institute Administrator on June 1, 2018. This handbook provides all the information necessary for students to be successful while they are attending Christ For The Nations Institute.

The **mission** of Christ For The Nations is concise and simple. **We exist to impact humanity with the gospel of Jesus Christ.**

Christ For The Nations Institute has established six **core values**, which are the guiding principles and commitments of the organization. They are: Missions, Integrity, Prayer, Worship, Legacy, and Training. Six additional values have been added to create CFN's 12 foundational pillars. These include: The Word, The Supernatural, Israel, Faith, Giving and Relationships. These 12 values guide the decision of the organization. These values make up the DNA of Christ For The Nations students, staff and alumni.

The school maintains the **Seven Doctrinal Foundations** established by our founder.

- We believe the Bible is God's standard and measurement for believers.
- We believe in a personal experience of salvation by faith in the name of Jesus and obedience to His Word.
- We believe in the baptism of the Holy Spirit and the operation of spiritual gifts.
- We believe in intensive evangelization by preaching, teaching, and healing according to the gospel of God's Kingdom.
- We believe in personal holiness and separation from the world.
- We recognize that all true believers, regardless of denomination and organization, are baptized of one Spirit into one Body; thus, fulfilling Christ's prayer for unity.
- We believe in the hope of an imminent, personal return of the Lord Jesus.

Student Handbook

INTRODUCTION

The policies of Christ For The Nations Institute (CFNI) are in compliance with Title VI of the Civil Rights Act of 1964 (PL 88-353), and all regulations adopted pursuant to such Title VI to the end that no person shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefit of, or be otherwise subjected to discrimination under any program or activity of CFNI.

We insure the privacy of all students. Although the Institute is not bound by the Family Educational Rights and Privacy Act of 1974 (FERPA) we do not release the following directory information without the consent of students who are 18 years and older: SDF Student name, address, telephone number; date and place of birth; full-time or part-time enrollment status; dates of attendance; major field of study; degrees, and/or awards received; participation in activities, sports, and sports related height/weight information. Students enrolled at CFNI must sign a release of information before information will be released.

CONCEPT OF SPIRITUAL TRAINING

CFNI is a place of learning with a balanced emphasis on the ways of the Spirit and academic training. The vision of its founders, Gordon and Freda Lindsay, has brought over 40,000 students to a school where the focus is on their spiritual well-being.

The faculty at CFNI believes the Holy Spirit wants to work through yielded people everywhere, not just through professionally trained ministers. The institute offers an environment of Christian love where disciples of the Lord Jesus can live, learn, and grow together—as they develop a deeper, more productive spiritual life.

The training program at CFNI includes the 4 following elements:

- Prayer, worship, and a life of faith, enabling the student to learn directly from the Holy Spirit and experience His marvelous gifts.
- Concentrated courses of study in the Bible, which are taught by seasoned and anointed faculty, enabling the student to become grounded in truth.
- Unparalleled opportunity to learn firsthand from renowned guest teachers, enabling the student to see how God uses others.
- Practical experience in Christian service, enabling the student to apply what is being studied

The objective of CFNI is to provide a balanced and practical training that demonstrates the Gifts of the Holy Spirit, and promotes the unity of believers. Because CFNI is both interdenominational and international in scope, we seek to conform to the Spirit of God, as we attempt to help each student maintain a consistent walk with Christ and to express a loving attitude toward one another.

This training includes a well-balanced curriculum of academics and practicum that points students to God and away from self-centered values. This is achieved through community fellowship and fostering a campus environment of love, peace, and harmony of the Holy Spirit, where love is the perfect bond. Practical, personal learning is achieved when students apply their studies with habits of daily prayer, Bible reading, and embrace the Bible as God's standard for our personal conduct. Students learn when they yield themselves to the fruit of the Holy Spirit and the operation of the gifts, as they seek the edification of others.

Student Handbook

STATEMENT OF EQUITABLE AND CONSISTENT TREATMENT

CFNI is committed to equitable and consistent treatment of all students. Students are given the ability to file grievances or appeals based on academic, disciplinary, or student life issues.

For academic grievances or appeals, students may file a grievance or request an appeal through the Academic Dean. If warranted, the Academic Affairs Committee will provide a hearing for the student. Grievances must be initiated within 30 days of the academic issue, and appeals must be initiated within 24 hours of the academic action.

For student life grievances, a student may request an appeal before the Student Conduct Committee, if he or she feels that their student rights, as outlined in the CFNI Student Handbook, have been violated. Requests must be submitted to the Institute Administrator. The following criteria must be met before the Institute Administrator will review a grievance or request an appeal.

The student must have met with their respective dean and have pursued all reasonable means to bring a resolution to the matter, as specified by the dean.

The student must submit written documentation, outlining their grievance and the steps they have taken to resolve the issue. The written request must clearly reveal a violation of the student's rights.

If a grievance or appeal is warranted, the Institute Administrator will meet with the student to bring resolution, or will set a hearing date with the Student Conduct Committee. All decisions by the Institute Administrator and/or the Student Conduct Committee are final. Grievances and requests for appeals must be presented in writing to the Institute Administrator, no more than 14 days after the event, which prompted the grievance. Dismissal Appeals must be made in writing within 24 hours after the dismissal.

CLASSROOMS

We ask that food and drinks, except bottled water, remain outside of any classroom.

DEGREES/PROGRAMS

- Certificate of Bible Studies (CBS) one year program; 42 credits
- Associate of Practical Theology Degree (APT) two year program; 78 credits
- Bachelor of Practical Ministry (BPM) three year program; 120 credits
- Advance Studies Diploma (ASD) one year program; 42 credits

MUSIC DEPARTMENT

Private lessons in Voice, Piano, Acoustic Guitar, Electric Guitar, Bass, and Drums and are offered as an extra cost elective, which are paid at the Finance Office. Included in this program are also classes such as Music Theory, Composition and Arranging, Sight-singing and Ear Training, Photography, and Art. (Note: not all classes are available every semester, some vary between Fall and Spring Semesters). These lessons are available to CFNI students for credit and also for adults, children, staff, alumni, and non-students as audit courses. Children 12 years of age and under must be supervised by parents while they practice in the Music Building (now named the Anna Jeanne Price Music Building). Practice rooms are available to all students during the hours when the Music Building is open with ID card access only.

The student will sign up for the use of a specific practice room during specific times, and will be issued a door code that will allow them access to that particular practice room ONLY. Auditing students may obtain a temporary ID card for the semester from the Security Department per approval from Music Education Office for a nominal fee. All students and non-students who are registered for lessons have been charged a Music Lab Fee per semester as part of their lesson cost, and are allowed to reserve practice rooms up to 90 minutes per day per lesson.

If students or alumni who are NOT enrolled in private lessons wish to use the Music Building practice rooms for practice purposes, they will be charged a \$125 Lab Fee per semester, approved through the Music Education Office and payable at the Finance Office.

A Music Certification Program is now available to CFNI students who desire to develop more completely in the area of musical skills. Students will be required to complete the following:

- 3 semesters of private lessons on the same instrument
- Completion of the Music Theory, Composition and Arranging, and Sight-singing and Ear Training Classes (students may test out of these courses if they have previously studied the material)
- Two semesters of participation in one of the CFNI platform teams or choir

Student Handbook

Upon Graduation, the student will be issued an additional Certification in the area of Musical Studies.

During the semester, students may access the Music Building during the following times:

- Monday-Friday 6:30am-9pm.
- Saturday 9:00am-6:00 pm.

The Music Building is closed on Sundays and holidays. However, registered music lesson students will have access to practice in the building during Thanksgiving Break, Christmas Break, and Spring Break. The Music Building is closed during the summer.

All questions regarding the private lessons or group classes may be answered at the Music Education Office, which is located in the front of the Music Building as you enter.

The use of MB 130 for auditions, practice, or rehearsal purposes, or to schedule other events, requires a Reservation Request Form available from the Administrative Assistant in the Music Education Office. For non-student groups or teams that are not a part of the CFNI program (CFNI Program includes Chapel Teams, Student Teams, Choir, House of Prayer teams, Outreach Teams) there is a \$125 usage fee that will be charged PER PERSON and payable at the Finance Office. ALL groups (both student and non-student) desiring to reserve MB130 will need to fill out a Reservation Form and it must be approved by the Music Department Director.

In addition to practice pianos and drums, some musical instruments (bass and acoustic guitar) are available to be checked for practice use IN THE BUILDING ONLY. These are only available to be checked out from the Music Education Office during normal office hours (Mon.-Fri. 1-5pm.) All drum lesson students are required to provide their own drumsticks.

Students may withdraw from Music and Arts lessons without academic penalty through the designated Withdrawal Deadline date that is issued by the Academic Dean each semester. A letter "W" (withdraw) will be recorded on the student's permanent record and it will not affect the student's GPA. There are no refunds issued for the withdrawal, except during the first two weeks of the semester when the add/drop process is taking place. The student will need to obtain the paperwork to start this process from the Music Education Office. The student's Instructor MUST sign the form in order for it to be approved and processed in the Student Center Office. Obtaining the correct signatures is the student's responsibility.

For students who desire to be a part of the CFNI platform worship teams, the audition process is managed through the Worship Department whose offices are located in the rear of the same building. Auditions are normally scheduled during the first week of classes during Fall and Spring Semesters, and information is given out at the New Student Orientation the week prior to the start of school each semester. Information and music is also available on the Student Portal close to the start of each semester.

LIBRARY

The CFNI Lending Library is located upstairs in the Jack Moore Hall. It is opened to all students, staff, alumni and their children who use their I.D. card for access and for checking out books. The

Student Handbook

library facilitates a computer lab, a large reference collection of books and various media formats. Students should complete all of their library service needs: copying, computer/ printing, and checking out materials 15 minutes before the library closes.

A copier is available to meet the student's needs. Students may checkout books and CDs for a period of two (2) days for textbooks and two (2) weeks for all other books and materials. Reference books are only for use inside the Library. Materials checked out may be renewed twice unless that particular book is in high demand.

There is an overdue charge of .25 cents per day per item, or .50 cents per day for a textbook, with a maximum fine being the cost of the book. Fines will begin accruing at 2:00 p.m. the next day after the book is due. The cost of a lost book is the price of the book plus a \$3.00 processing fee to replace.

Christ For The Nations has a library exchange agreement with SAGU where students may use their library at no charge and vice versa. Children under 12 years of age are encouraged to use the library, but with parental supervision.

SPANISH PROGRAM

Christ For The Nations offers a one-year Spanish program with classes taught in Spanish. Students preferring to take courses offered in Spanish may enroll in the Spanish Program during their first year. Students who graduate from the Spanish Program are *required* to take the Remedial English Assessment when transferring into the English Program.

SUMMER CREDIT

Students have been taking short-term outreaches to other nations since 1974, when Dr. Dennis Lindsay and Ginger led the first outreach to Mexico. Since that time, students have traveled to over 87 different countries and have been a part of more than 340 outreaches. Students completing Summer Credit may choose to do a summer outreach, or to do one of the Campus internships offered every year such as YFN, KFN or SYFN and others. Students are expected to complete their summer credit in their first year of studies at CFNI. International students that fail to register for a summer credit within their degree plan, will result in termination of their I-20.

ARTICULATION AGREEMENTS

Students graduating from Christ For The Nations Institute may want to take advantage of the articulation agreements we have with many colleges that will transfer academic credits. These schools often waive application fees for CFNI graduates and many provide scholarships, as well.

These colleges and universities include:

- Dallas Baptist University, 3000 Mountain Creek Pkwy, Dallas, TX, 75211
- The Kings University, 2121 E. Southlake Blvd., Southlake, TX, 76092
- Oral Roberts University, 7777 South Lewis Avenue, Tulsa, OK, 74171
- Southwestern Assemblies of God University, 1200 Sycamore St., Waxahachie, TX
- Grand Canyon University, 3300 W. Camelback Road Phoenix, AZ 85017

ATTENDANCE

Classroom attendance is a necessary factor in the learning process and vital to student discipline; therefore, absences should be kept to a minimum. The academic policy stipulates that a student whose absences exceed 20 percent of their total class time will result in the student receiving an "F" grade for their course. Students are held responsible for all academic work required or performed during their absence, regardless of the reasons for those absences.

Student Handbook

Students are responsible to their instructors for classroom attendance and are required to register their attendance by scanning their ID badges at the scanners in their classrooms (if the student believes his/her attendance has been recorded wrongly, he/she needs to contact the teacher of their course to fix their attendance on their behalf within two weeks of the date). At the beginning of each course students must scan their ID cards, including Morning Chapel and TNE. At the end of each class, students are required to scan out of class using their IDs (please note that Morning Chapel will be the only exception for this, where only a scan in is required but not a scan out). If a student does not scan in and out, the system will mark you absent for that class period. Students enrolled in the I.B. Auditorium during the first period are required to exit the auditorium on days of chapel and re-scan, in order to register attendance for the first period class.

Attendance is recorded for each class and individual instructors may incorporate additional attendance methods to account for student absences. Students who pursue the correction of a wrongly recorded absence must show their dated notes from that particular date for that specific course. It is up to the teacher's discretion if they will correct your attendance or not. Students that scan into class and fail to attend the class they are registered in have defrauded attendance, which is a serious offense. Students who defraud class attendance may be placed on probation and possibly dismissed.

Morning Chapel is the only course that **does not** allow you to miss 20 percent of the class time. You are allowed to miss 11 chapels throughout a semester before failing the course. If you fail chapel, you will be placed on Academic Probation. Failing Chapel twice during your time at Christ for the Nations is grounds for dismissal.

Student Handbook

INTERNATIONAL STUDENTS

Each year about a third of the student population is international, coming from about 60-70 countries per semester. The International Student Affairs (ISA) department is designed to guide potential and current international students through the application and visa processes and to provide assistance throughout the course of their studies at CFNI and beyond.

VISAS

Students who have been accepted to Christ For The Nations will receive an I-20 to obtain their F-1 student visa. Each international student is responsible to maintain their F-1 student status by remaining as full-time students during their time here. Failure to do so will result in their loss of status.

The International Student Affairs office is not authorized to process other visa applications, including Religious Worker (R-1), Temporary Worker (H-1), Exchange Visitor (J-1) visas or Green cards. International applicants visiting the United States on a Tourist visa (B1/B2) are NOT accepted for admission as a student.

REGISTRATION

A single* international student is required by law to show funding in the amount of at least USD\$15,000 in order to receive an I-20 from our school (and U.S. VISA from their embassy). Therefore, if an international student does not have the funds required to register for their current semester, their I-20 will be terminated. If the student no longer has funding, their I-20 is no longer valid.

**Funding amount varies based on marital status and number of dependents.*

WORK OFF CAMPUS

F-1 students are not permitted to work off-campus using their F-1 visa; however, an F-1 student may obtain employment on campus, but only if they have received a Social Security Card. Those residents with an F-2 visa are not eligible to work. Unauthorized employment is a status violation and will result in the termination of your I-20.

WORK STUDY SCHOLARSHIPS

Christ For The Nations Institute gives some International Work study scholarships, which are classified as full-work scholarship (FWS) and tuition only scholarship (TO). Only F-1 students are eligible to apply for international Work study scholarships.

Students who receive a FWS are limited to working no more than 20 hours per week, while school is in session.

Tuition only (TO) students are scheduled to work 10 hours per week, while school is in session. The student or his/her sponsor is responsible for providing for all the expenses beyond tuition. All fees must be paid in full at the time of registration for each semester.

Only the required curriculum is covered under the work scholarship. All extra-cost elective courses are NOT covered by scholarships. Students who choose to take private or group lessons must schedule classes that do not interfere with their commitment to employment as a scholarship

Student Handbook

student.

If a domestic scholarship student leaves early in a semester, the student will be responsible for the remaining amount of their semester. The debt will be pro-rated and the student will sign a loan agreement with the Institute Business Manager upon leaving. The stipulation is that the student is leaving in good standing with the school and the Department they worked for.

If an international scholarship student leaves early in a semester, any unfulfilled hours will be charged to the student's school bill. The student will be required to pay \$25 for every hour unfulfilled.

International students will forfeit their work scholarships if they move off-campus, arrive single and get married prior to graduation day, or fail to perform in an acceptable manner at their assigned campus job. International work scholarship students who violate any CFN policy will be subject to discipline, up to and including the loss of their scholarship and dismissal.

Full-work scholarship students need to bring a printed copy of their class schedule to the bookstore to receive textbooks. Please refer to the "Guide for Scholarship Students" for the detailed policy regarding domestic and international scholarships. A copy of this policy guide can be obtained from the International Student Affairs office in the Student Center.

WORK STUDY SCHOLARSHIPS STIPENDS

Each month the Full Work Study students will receive a check for their stipend (Singles: \$35, Married: \$100) from their Supervisor. If a student is behind more than 5 hours on their work hours, they will not receive their check.

Stipend checks are given out before every 5th of the month, date that your Hourly report will be updated in HR System.

If you are a New International Student your first stipend will be issued as follows:

Spring semester: You will receive your 1st stipend around February 5th (*)

Fall semester: You will receive your 1st stipend around September 5th (*)

Important:

(*)The International Student Affairs Department will coordinate trips to the Social Security office (for new scholarship students only). The International Student Affairs and Payroll departments work together to make sure the required documents are distributed to you. You will be added to the payroll system as soon as the International Student Affairs Department provides your social security receipt to the Payroll Manager – this is always the same day as your social security appointment. You will be contacted via email with further instructions; within 3-4 weeks of the semester's start.

Established International FWS Students last stipend will be issued as follows:

Only current in-status scholarship students on the 1st day of each month will receive a stipend for that month. Example: if you are an in-status FWS on July 1st, you will receive a full stipend for that month of July. If you are no longer in-status as a FWS student anytime later in that same month, you will not receive a stipend for the following month (August). This policy technically applies for all 12 months of the year, but mainly relates in this paragraph to the ending of your official CFNI FWS status at CFNI (either because of graduation or the ending of your FWS status at CFNI).

Spring semester: your last stipend will be around May 5th

Summer semester: your last stipend will be around July 5th

Fall semester: your last stipend will be around December 5th

Student Handbook

WORK STUDY SCHOLARSHIP TIME OFF

All time off requests must be submitted to the supervisor, after obtaining all other required signatures on the form, to receive permission for time off.

SOCIAL SECURITY CARDS

Only international work study scholarship students or international students who have a job offer on campus are eligible to apply for a Social Security Number (SSN). A passport, I-94 Card, and an I-20 are required at the time of the application. The International Student Affairs department provides scheduled group transportation to the Social Security Administration office each semester for Work study scholarship students. Students will be informed of their scheduled appointment. Students who miss their scheduled appointment are responsible to make their own arrangements to meet the requirements for obtaining a social security card. Any persons issued an F-2 Visa are not eligible to apply for a SSN number. Students who accept on campus employment offers must speak with their DSO first before going to the Social Security office to apply for their SSN.

TRAVELING

Students who plan to travel out of the country must contact the International Student Affairs Office before departure. When traveling outside of the United States, the I-20 must be endorsed by the designated school official (DSO) in the Enrollment Services office or the student will not be permitted to re-enter the country. This includes international students who travel on an approved CFNI outreach. When traveling, it is the responsibility of the student to carry their original immigration documents at all times.

All work study scholarship students are required to inform the Human Resources department if they are planning to travel and/or miss any scheduled work assignment. Permission must be obtained in writing, with all required signatures on the official scholarship time-off request form, from the Human Resources department before missing work assignments.

REMEDIAL ENGLISH

Remedial English courses are required for international students who need assistance with the English language. Classes are offered at Level 1 through Level 4 and are held one night per week. Remedial English courses are not counted toward the completion of a student's degree program and are also available for domestic students who desire additional training in the English language. Cost of tuition is \$195.00 per semester.

International students, who do not originate from an English speaking country, are required to take an English Proficiency Assessment or provide documentation of qualifying TOEFL IBT, ESL or IEP Training, at the beginning of their first semester to determine their English language proficiency. Students in the Spanish Program are required to take this assessment when transferring to the English Program.

Any questions regarding the Remedial English Program should be directed to the Director of the Remedial English Program at 214-302-6457 or email librarian@cfni.org

Any questions or appeals regarding the testing requirement or the Remedial English placement should be directed to the Academic Affairs Office.

A Social Security Number (SSN) is required for obtaining a drivers license in the United States. Students who do not have a SSN must show proof of their international student status to the Texas Department of Motor Vehicles. A letter provided by the International Student Affairs office can be substituted for a SSN. Letters can be requested through our website. A driver’s license that is obtained from outside the United States is not valid in the United States, unless it is an international driver’s license. An international driver’s license (no matter the expiration date) may only be used for three (3) months. Students who obtain a learner’s permit from the Texas Department of Motor Vehicles (by passing a written test) must have a licensed driver over the age of 18 present at all times when driving.

FINANCIAL POLICIES

COST TO ATTEND

The semester cost per credit hour is \$185.00, and the regular tuition for full-time students is \$2,775.00. Additional tuition is required for Music and Creative Arts classes. Meal plans vary, as well as housing, depending on regular dormitory housing, semi or private housing for single students and apartments for families. Students who register early waive the registration fee, and students who register after school begins must pay a late registration fee. Please see Academic Calendar for dates each semester.

SETTLEMENT OF ACCOUNTS

All accounts are due and payable at the beginning of a term or upon arrival. If the student needs to pay installments a deferred payment plan will be granted with a \$200.00 deferment administration fee. Full-time students will receive a \$350.00 credit incentive for pre-paying the account in full for the semester. Students, who defer payments, are required to make monthly payments. If payments are not made in a timely manner, students will be contacted by email, correspondence, telephone and through notices on screen displays across campus, IB announcements and major directors.

DEFERRED PAYMENTS

Full-time students, who wish to defer payments, must pay an administration charge. A contract for

Student Handbook

payment is an agreement between CFNI and the student, whereby the student honors a payment schedule. Domestic students who defer payments must pay 30 percent of the total semester costs at registration, followed by three monthly payments of 25 percent, 25 percent, and 20 percent or the balance of the account. International students who defer payments must pay 50 percent of the total semester costs at registration, followed by two monthly payments of 25 percent and 25 percent or the balance of the account.

Anytime a students' balance change because of add/drops, parking fines, disciplinary and housing violations, they should be paid at the finance office within two weeks. Deferred payments, which are not paid by the due date, will be assessed a \$50.00 late charge. Failure to follow the requirements of the payment plan may result in immediate dismissal or loss of credit for the semester. Zero balances are required for graduation.

Accounts are past due the 5th day after the payment due date. The finance office will email students with delinquent accounts, which is the primary source of communication. Failure to respond to the notices within 24 hours may result in penalties, including: de-activation of the meal plan, access denial to student portal, loss of privileges to campus activities, such as the gymnasium, pool, and weight room. Delinquent students who fail to contact the Institute Business Manager will be subject to dismissal. Failure to pay during the 5 day grace period may result in penalties, including: de-activation of the meal plan, access denial to student portal, loss of privileges to campus activities, such as the gymnasium, pool, and weight room. Financial holds occur when students and alumni have outstanding balances. Financial holds prevent students from receiving transcripts, diplomas, degrees, and student privileges. Any students with an open balance at the end of each semester will automatically be put on financial probation throughout the following semester. During financial probation the student must not default on any of their payments or they will be automatically dismissed. Students with outstanding balances will not be re-admitted into school, until their outstanding bill is paid in full. These students also may be required to pay up to 100 percent of the upcoming semester in order to register.

RETURNED CHECKS

Payments may be made by check, cash, credit/debit cards, money orders or cashier's checks. Students who write checks that are returned for insufficient funds will be assessed a service fee and are subject to losing check-writing privileges. If the check has been returned, it needs to be taken care of immediately. Failure to do so may result in penalties, including: de-activations of the meal plan, access denial to student portal, loss of privileges to campus activities, such as the gymnasium, pool, and weight room.

RETURNED CREDIT CARD TRANSACTIONS/CHARGEBACKS

Payments may be made by check, cash, credit/debit cards, money orders or cashier's checks. Students who has a transaction of insufficient funds or chargeback will be assessed a variable service fee and are subject to losing credit/debit card payment privileges. If the amount is reclaimed, it needs to be taken care of immediately. Failure to do so may result in penalties, including: de-activations of the meal plan, access denial to student portal, loss of privileges to campus activities, such as the gymnasium, pool, and weight room.

PRORATED REFUNDS

Upon registration the student accepts full responsibility for the total amount charged to their account for the whole semester. Refunds may be administered to students who initiate the

Student Handbook

withdrawal process with the appropriate dean's department during the first four weeks of the calendar semester. Students whose accounts are paid in full will be qualified for a refund that is calculated based upon the date the withdrawal process is initiated. Students who owe a balance on their school bill will receive a discount on the total amount due for the semester, calculated upon the date the withdrawal process is initiated. Financial calculations are based upon the following schedule:

Fall and Spring Semesters:				Summer Term:	
Refund Percentages:		Percentage Owed:			
1st week	100%	1st week	0%	1st week	100%
2nd week	75%	2nd week	25%	2nd and following	No refund
3rd week	50%	3rd week	50%	E & W + Online Studies:	
4th week	25%	4th week	75%	1st week	100%
5th and following	0%	5th and following	100%	2nd and following	No refund

All fees, including extra cost electives, are non-refundable in the event of withdrawal or dismissal from CFNI. Students are required to complete all proper check-out procedures, including a final room inspection. Failure to complete this process will be deemed as an improper withdrawal and will result in applicable fees being applied to the student's account.

SEVENTEEN WEEK SEMESTERS

Financial weeks are calculated from the first day of class. Fees, including extra cost electives, are non-refundable. In the event of withdrawal or dismissal from CFNI, the student is fully responsible for any unpaid portion of his/her payment contract. Students are required to complete all proper check-out procedures. Failure to complete this process will be deemed as an improper withdrawal and will result in applicable fees being applied to the student's account.

DISMISSAL

Dismissed students are not eligible to receive a refund and the student is fully responsible for any unpaid balance of his/her payment contract. A grade of "X" will be recorded into the student's permanent record, affecting the semester of his/her dismissal.

CHANGE OF PROGRAM

A student will be charged for the full semester for all registered courses, unless an official add/drop form is filed with the records officer. Requests for refunds or other adjustments to a student's account, resulting from changes in the academic program, must be made within the first two (2) weeks of a semester.

This form is for students who want to change their program and or major. If a student wishes to transfer from the English Institute to the Spanish Program or share classes they need to visit the Registrar's Office. The submission of this form does not automatically mean the request is approved. Academic Advising will be necessary in some cases. All registration and add/drop schedules and fees are still in place regardless of the submission of this form.

FINES

Fines for parking, disciplinary fines and apartment violations must be paid within two (2) weeks of the violation or a late fee will be assessed.

Student Handbook

EDUCATIONAL TAX CREDITS

CFNI is not an eligible educational institution for the Hope Credit or the Life Time learning credit at this time. CFNI recommends that students and parents not apply for either of these tax credits when filing their taxes. For information, you may go to the IRS website at www.irs.gov and look at publication 970 Tax Benefits for Higher Education in the section that defines eligible educational institutions. CFNI is not recognized as an accredited school by the Department of Education at this time, and therefore, does not qualify for Title IV benefits.

RECRUITMENT CREDIT PROGRAM

CFNI offers credit on a student's total school bill when the student is directly responsible for recruiting another student. A recruitment credit of \$200.00 is given for a full-time fall or spring semester recruit. To receive credit, the recruitment form must be submitted to the Finance Office within the first 4 weeks of school. Recruitment credit will be applied to the student's account on the eighth week, after the semester begins.

OUTREACH PAYMENTS

Those approved to participate in an outreach may make outreach payments at the finance office. The student must have their school bill paid up-to-date before adding personal funds to the outreach account.

HOUSING APPLICATION FEE (NON-REFUNDABLE)

The housing application fee that is non-refundable is for normal wear and tear of the apartment/dorm. A new non-refundable housing fee will be applied to family students that perform a final room inspection and leave campus (during the winter break/summer). Any damage done to the apartment/dorm will be the student's responsibility. The damage costs will be accessed and billed, and a time-frame to pay will be established. Failure to pay the damage costs could eventually be sent to collections. If the apartment/dorm is not properly cleaned, a cleaning fee will be added to the student's account as well. Please refer to cfni.org under the admissions tab for the schedule of fees. Fees are subject to change.

CAMPUS HOUSING

Christ For The Nations Institute reserves the right of access to all rooms for the purpose of making routine inspections, maintenance repairs or searches necessary to ensure compliance with CFNI rules and regulations without prior notice to or consent from the Student. Upon admission, the Student gives consent to search and agrees to be bound by the search and entry procedures as they now exist or may be hereafter amended during the term of the Student's residence in Student Housing. This includes permitting school officials such as security, R.A.'s, or authorized administrative staff of CFNI to inspect the student's room, in his/ her presence whenever possible, for purposes of inventory, fire protection, sanitation, safety, maintenance and rule enforcement, including, but not limited to, securing any suspected contraband, items, or materials that may violate the Student Handbook.

HOUSING ASSIGNMENT

Single students will choose a housing assignment during the on-line registration process and will be assessed a \$200.00 Housing Application Fee (non-refundable). Family housing will be arranged prior to arrival through the housing office and will be assessed a \$400.00 Housing Application Fee (non-refundable). CFNI reserves the right to consolidate room assignments within two weeks of

Student Handbook

the closing date of registration. Upon arrival, students may pick up their keys from the Student Housing Department in the Student Center. Should a student wish to transfer from one room/apartment to another, he/she must adhere to the check-in/check-out procedure. A transfer fee of \$50.00 is assessed to single students. A transfer fee of \$100.00 is assessed for married students when transfers are initiated by the student. Transfers are permitted with the dean's approval, and availability of housing. All changes in housing must be approved by the Housing Supervisor. Every semester the Student Housing Department conducts an audit in all the apartments. All students are expected to provide the information requested on the Audit Form, provided by the Student Housing Department; failure to comply with this may result in a fine.

VACATING AN APARTMENT/FINAL INSPECTION

Proper checkout includes passing room or apartment inspection. A final inspection includes a Dean's department inspection for cleanliness and a facility's zone manager's inspection to determine the condition of the apartment/room. For final check out, all campus residents are required to be present for the inspection and sign the Move-in/Move-out inspection form. Single Housing Residents will turn in their keys to the Housing Office. Family Housing Residents will return their keys to the appropriate Dean. Charges will accrue until the keys have been turned in. To ensure our campus safety, losing or failure to return one or more keys throughout the semester will result in a \$50.00 charge for a lock change fee. Once the apartment has been inspected, if damages have been found, the student's account will be charged. If it remains unpaid, it could eventually be sent to collections. Students who do not follow proper check-out procedures will be assessed applicable fees.

RESIDENCE BETWEEN SEMESTERS

Single Housing: Students who desire to live on campus when school is not in session must register with the Student Housing Department.

Family Housing: Students who desire to live on campus when school is not in session must register with the Student Housing Department. A new non-refundable housing fee will be applied to family students that perform a final room inspection and leave campus (during the winter break/summer).

SUMMER RESIDENCY

Summer Housing is reserved for those who will be returning to school in the Fall and/or fulfilling their summer credit. Student will need to be paid in full for the Spring Semester. Failure to return as a student in the Fall penalties will be applied. If a student in Family Housing chooses to leave for the Summer, we do not guarantee that you will receive the same apartment.

OFF CAMPUS STUDENTS

All full-time students enrolled in day classes, single or married, are required to live on-campus; unless they can provide documentation related to the off-campus requirements listed below. *The submission of the form does not automatically approve a student to live off-campus.* Please see the requirements and required documents listed below.

- Requirements to live off campus:

- Must have lived in the Dallas/Fort Worth area for at least six (6) consecutive months prior to initial application to CFNI or must have immediate family who has lived in the Dallas/Fort Worth area for more than six (6) consecutive months.

FAMILY HOUSING

Any current, full-time CFNI student in the day program who is married and/or has legal custody of at least one dependent is eligible to live in Family Housing. Only the resident affiliated with CFNI, and if applicable, dependent(s) who will be living on a full-time basis, may live in the apartment.

The tenant must submit a Family Student Housing application to Enrollment Services prior to the time of occupancy. Family members must reside with them on a full-time basis. The tenant is expected to give prompt notice to the Student Housing Office of any change in household composition.

The Student Housing Office reserves the right to require proof of identity and proof of any relationship. Anyone living in Family Housing who does not meet the Family Housing qualifications as stated above and who is not an authorized guest is trespassing, and CFNI may take legal action against that person.

HOUSING AFTER GRADUATION

Some students may prefer to remain on campus after graduation. However, alumni housing is limited. Students desiring to rent housing on campus after graduation should contact the Property Manager at the International Headquarters Building.

MAINTENANCE REPAIR

Requests for maintenance services must be made through the Student Informer at www.cfni.org/maintenance, except in rare emergencies. Their regular work hours are 8:00 a.m. to 5:00 p.m. and can be contacted at 214-302-6379. For after-hour emergencies from 5:00 p.m. to 8:00 a.m., and Saturdays and Sundays, 24 hours a day, please contact emergency maintenance personnel at 214-302-6500. Situations that are life threatening, a security breach or can lead to substantial loss to CFNI, should be referred to security at 214-302-6200. Students are responsible for damage to their apartment or furnishings, while they are in residence. Damage costs will be assessed and will be added to the student's school bill.

SMOKE DETECTORS

Students are responsible to ensure that dormitory and apartment smoke detectors are functioning. Smoke alarms with intermittent "beeps" require a battery change. Please do not remove the battery. Instead, submit a work order to replace the battery. It is strictly prohibited to tamper with the smoke detectors in the apartment, according to the State of Texas. Violators will assume a violation fee of up to \$2,000.00.

ROOM AND APARTMENT ALTERATIONS

Since student housing is temporary, remodeling or making changes are not approved. This includes adding door locks, installing peep holes, removing light fixtures, painting, installing draperies or items to partition rooms or blocking hallways.

Student Handbook

Furniture is assigned to certain apartments. When assuming occupancy the student becomes responsible for any CFNI furniture in their assigned room. Penalties will be assessed for any defacing, destructing or removing any of CFNI's furniture.

GARBAGE

Garbage should be placed in plastic bags, closed with a tie, and removed from the apartment daily. Bags of garbage are NOT allowed to sit outside the apartments at any time. The garbage must be placed into the regular dumpsters and not into the recycling bin dumpsters. If that dumpster is full, please locate another campus dumpster. All empty pasteboard and/or cardboard boxes or containers must be broken down (flat) before placing them into the dumpster.

APARTMENT CARE

Garbage disposals are not designed to receive and process grease, fat, bones, corncobs, fruit peelings, rice and fibrous materials. These should not be placed into the sink drains or disposals. Please start running water before turning on the disposal and continue running the disposal, until contents are removed. *Toilets* are designed for toilet paper. They are not designed for disposable, sanitary napkins, tampons or deodorizers. All *floors* must be cleaned before the apartment is vacated. CFNI no longer supplies nor maintains *dishwashers* in campus housing. Some apartments do have a functioning dishwasher. These require proper automatic dishwasher detergents, when in use.

Utilities are included in the cost of housing; however, housing rates are determined by the amount of utilities used. Lower housing rates can be achieved by turning off all lights, air conditioning or heat when the room/apartment is unoccupied. Controlled thermostats have been installed to reduce costs. Keeping windows closed while the air conditioner and heater are running reduces electricity cost. Leaving lights on in the apartment when nobody is home may result in fines.

GLT Student Residents: The only appliances allowed are dorm refrigerators, microwaves, and coffee makers. Things such as hot plates, toasters and toaster ovens are NOT allowed.

Please do not place *signs on doors and windows*. Apartment advertising with bumper stickers, signs, or notices is inappropriate.

Coin-operated *washers and dryers* are available Monday through Saturday from 8:00 a.m. to 11:00 p.m. daily. Notices, posters, or signs to be placed on laundry room bulletin boards must be initialed and dated by Property Management. Laundry rooms should be kept clean and neat. Immediately notify Advantage Laundry at 1-800-880-2138 Ext.105 of any equipment problems, noting the problem and identifying the machine. Students are to use the laundry room in their assigned apartment or dormitory. Please do not leave unwanted items in the laundry rooms. Portable washers, dryers, dishwashers, or any other portable appliances are NOT allowed in student housing.

In order to comply with city ordinances, the use of *privately owned grills* is permitted, but only in marked, designated areas. Grills may never be used on balconies, in apartments, or in walk-ways. Most apartment complexes are equipped with one natural gas or propane BBQ grill for use by the residents of the complex. Users should keep in mind the length of their use in consideration of others who may desire to use the grill. Please DO NOT use charcoal briquettes in the grills. The grills are not to be used for burning trash. When the grill is not in use, the gas valve must be shut off. After each use, all surfaces of the grill should be cleaned thoroughly.

HOUSING GUESTS

Campus residents who desire to invite overnight guests (either relatives or friends) should contact the

Student Handbook

appropriate dean 24 hours in advance. Overnight guests are not permitted in single housing during CFN conferences and events. Guest are permitted, but limited to stay, three (3) days, unless extended time is granted and not to exceed more than 7 days for singles and 30 days for families. Guests who stay for more than three (3) days will be assessed a charge by the Student Housing Department. Students who fail to register visitors will be fined and are subject to losing the privileges of living on campus. Guests must park in unassigned spaces or on the street. Guests with vehicles who stay three (3) or more nights must obtain a temporary parking permit from security. Guests are subject to all student conduct policies. Subleasing campus housing is not permitted. Students are not allowed to have guests stay in their apartment when they are absent. The housing office must approve any extenuating circumstances.

GUEST APARTMENTS

There is a limited amount of guest housing on campus for friends and families of the students. Renting guest housing is on a first-come—first-serve basis. Please email guestapartment@cfni.org for more information.

RENTAL INSURANCE

Christ For The Nations Institute is not responsible for insuring any personal items that belong to the staff or students, nor is CFNI liable for the loss of personal properties of anyone on campus. We strongly recommend that each tenant and student secure all available insurance for all potential losses, including personal property protection against fire, theft, or liability, immediately following his/her arrival on campus. Items inside a student's or staff's residence, or vehicle, are not covered under CFNI insurance. Items such as computers, musical instruments and vehicles that do not belong to CFNI are the total responsibility of the owner.

STORAGE AND PERSONAL POSSESSIONS

The campus is not equipped for waterbeds, heavy-duty machinery or commercial operations in the apartments. There are nearby storage facilities that students may rent. Bicycles must be locked and stored in the racks provided for them in the complexes or stored inside the apartment. Bicycles are required to be registered through the security department. Storing bicycles inside apartments will be permitted if the bicycle is properly cleaned before bringing it indoors. The only pets permitted in family housing are aquarium fish, parakeets (small birds), or hamsters. Students living in single housing are permitted to have aquarium fish only.

RESIDENTIAL APPEARANCE

Articles such as towels, rugs, mops and door stickers are not allowed outside of the apartments. Nothing should be draped over the railings, fences, balconies, or dorm windows. No unapproved literature, flyers, announcements, or signs are to be left on doors or in the door jams. Toys and miscellaneous items may not be left outside the apartments. The Student Housing Department will assess a fine per toy/item that is left outside.

HOUSING USE/COURTESY

Apartments and dorms are zoned for housing residents. Students are strictly prohibited from engaging in any business activity or enterprise on campus for personal or private gain. Solicitation on campus is also prohibited. Babysitting on campus is limited to the children of students, staff, faculty, or resident alumni.

LOCKING APARTMENTS AND LOCK OUTS

Students are responsible for keeping their automobiles and apartments locked and for keeping a stick in all sliding glass doors. Occasionally, students are accidentally locked out of their rooms or apartments. Please do not remove screens to obtain emergency entry into your apartment. You may

Student Handbook

call security at 214-302-6200 to gain access to your apartment, and a \$5.00 lockout fee will be billed to your account.

RESIDENTIAL NOISE AND CURFEW

For the benefit of all the residents, noise should be curtailed in the courtyards after dark, and quiet must prevail in all family housing courtyards after 9:00 p.m. and single housing courtyards after 10:00 p.m. There is to be no prolonged socializing through open doors or windows. Ongoing or advertised prayer meetings and Bible studies in campus housing must be approved by the deans.

CAMPUS POOLS IN STUDENT COMPLEXES

In the Texas heat, Christ For The Nations is blessed to have pools in many residential complexes including, Dayspring, Morningstar, and Gospel Courts. An indoor pool is located in the Student Center and is governed by the gym staff. Students swim at their own risk because lifeguards are not on duty. Pools are open from 10:00 a.m. to 9:00 p.m. for children under 18. Pool rules are posted at each pool and must be adhered to by those who are using the pools. Appropriate attire for women includes cover ups, both to and from the pool. Please refer to the Dress Code in the Student Handbook for guidelines on the proper swim attire.

Children under 12 years old must be accompanied by an adult who is 18 years or older. Guests must be accompanied at all times by adult residents 18 years or older. Use consideration when using floats, air mattresses, or plastic donuts in pools. Children who cannot swim well must wear “floaties” on their arms or a life vest. Children who are not toilet trained must wear a diaper and rubber pants when in the pool. Games or activities involving running, diving, or rough play are not permitted. Please enter the pool area through the gate. Do not climb over the fence. Pools are available for residents of the complex and their guests. Students living in Cornerstone and COP may swim in the Gospel Courts pool. Pool maintenance is of the utmost necessity. Hairpins and barrettes may not be worn while in the pool. Please do not enter the pool after tanning oils have been applied. Pool filters can be ruined by oil in the water. Waterproof sunblock lotion 15 SPF or above is permissible. City Ordinances requires:

- No glass containers or food allowed in pool area. Plastic containers are acceptable.
- No person having an open cut or communicable disease is allowed in the pool.
- All pool furniture must be kept at least 4 feet away from the pool.

CFN ANIMAL POLICY

Pet Policy: Our student handbook states, “The only pets permitted in family housing are aquarium fish, parakeets (small birds), or hamsters.” Single students are allowed small aquariums. Holding any other pet is a violation of the terms outlined in our student handbook. Violation of housing policy may result in a fine, housing probation, and the loss of on-campus housing privileges.

Emotional Support Animals: CFNI student housing is operated by a religious organization, and is therefore exempt from the Fair Housing Act, which requires institutions to make housing accommodations for emotional support animals under the FHAct.

Service animals: The Americans with Disabilities Act (ADA) defines service animals as “. . . any . . . animal individually trained to do work or perform tasks for the benefit of an individual with a disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals who are hearing impaired to intruders or sounds, providing minimal protection or rescue work, pulling a wheelchair or fetching dropped items. "This definition means that 1) an individual must have a disability as defined by the ADA, and 2) the accompanying animal must be trained to do specific tasks for the qualified individual. CFNI complies with the ADA in allowing service animals in Student Housing. However, CFNI may require the submission of reliable documentation, if the disability is not readily apparent.

Student Handbook

CAMPUS LIFE

Campus life can be a wonderful experience in a Christian community; however, policies must be established to maintain unity. There are times when the deans or other departments need to contact the students. Responding to official notices is vital. Students who disregard an official summons/notice are subject to dismissal.

ID CARDS

Students are provided a photo ID card by the security department. This is an official document to identify the students. These cards are intended to last for the time the student is enrolled. Lost cards or additional cards for family members and alumni may be purchased for \$15.00 each. The ID card provides necessary building access, attendance login, and meal plan. Each semester, returning students must reactivate their ID card at registration. In the event the card is lost or stolen, the student should notify security at 214-302-6200.

ITEM SALE, COLLECTION, OR DISTRIBUTION

Solicitation and selling items door to door is not an acceptable practice. As an alternative, students may join the CFNI Campus Virtual Garage Sale on Facebook, which is a closed group.

IB ANNOUNCEMENTS

The Institute Administrator office is responsible for the display of all audio visual announcements in the IB. All advertisements/announcements must be emailed at least 24hours in advance to instituteadministrator@cfni.org for prior approval. If approved, these advertisements will be displayed on overhead screens at the 11:00 a.m. lecture sessions in the IB.

CAMPUS-WIDE POSTER/FLYER ADVERTISEMENTS

All external and departmental posters/signs, including any advertisements outside of those listed above must be approved at least 24hours in advance by the Property Manager in the Property Office in HQ.

The housing director can sign posters to be placed in the laundry rooms. All posters may be placed in designated areas only. Designated areas include the laundry room bulletin boards, the GLT bulletin board, and the Student Center bulletin board. No posters are to be placed on any door or glass area.

SOCIAL MEDIA DISCLAIMER

Creating social media pages or accounts on Facebook, Twitter, YouTube, Instagram, Pinterest, SnapChat, Periscope, Google+ or any other social platform using the "CFNI" trademark is prohibited. Christ For The Nations reserves the right to report such accounts. Any social media accounts for purposes pertaining to the Institute for outreaches, events or other activities must be requested from the Marketing department, obtaining the proper naming and login credentials.

Copying and distributing any lecture sessions and event recordings on Facebook, Twitter, YouTube, Instagram or any other social media platform are strictly prohibited. CFNI holds the sole right to distribute any teachings and lecture sessions on the appropriate social media channels. Students are allowed to record any classes for personal study and edification, but copying, sharing and distributing is not permitted.

SOLICITATION OF FUNDS OR OFFERINGS

Because we are a closed campus community, door to door solicitation or appealing for funds (written

Student Handbook

or vocal appeal) is not acceptable. Rare exceptions may be granted with written authorization from both the **Institute Administrator** and the Property Manager after consulting with the Chief Operations Officer.

CAMPUS LAWNS

Students and residents are expected to use the sidewalks, unless they are specifically designated as play/walk areas. This will help maintain a good level of ground cover. The grass is especially vulnerable when it is dormant in the winter months and during the hot summer months. The lawn around the Gazebo may be used during dry weather, unless signs are posted to keep off the grass.

MEDIA INTEGRITY

Students who are seeking God must understand the necessity of media integrity. *Video games* that explicitly contradict biblical values are inappropriate. With the many accessible genres of music, students should not listen to music that portrays a message that is contrary to biblical morals or values. Watching movies that are rated, X, NC17, and NR are never appropriate. Before attending R rated movies, please check the approved list of R rated movies. Any public showing of movies on campus should be limited to PG, unless approved by the deans.

Student Handbook

Internet sites like Twitter, Facebook, Instagram and others provide numerous ways for individuals to stay connected. Students should be careful not to post materials and pictures that are outside biblical and community standards of CFNI. Any illegal or inappropriate behavior or language posted online that violates standards of the Institute can be used as evidence for disciplinary action. Students are not to use CFNI office phones for personal or long distance calls.

BICYCLES, SCOOTERS AND SKATEBOARDS

Pedestrians always have the right-of-way on sidewalks. Those riding bicycles, scooters, and skateboards must yield to pedestrians when riding on the sidewalks. Bicycles, scooters, and skateboards are not to be ridden in apartment walkways. A City of Dallas Ordinance requires all bicyclists to wear a helmet.

SPIRITUAL LIFE

Christ For The Nations Institute is designed for students to pursue a spiritual life that develops the necessary character to make an impact on society. The faculty and staff work together to assist the students and to guide them in the ways of Christ. In the early years of the school, one of the guest speakers, George Otis, labeled Christ For The Nations as America's Spiritual War College.

CHAPEL

When school is in session, corporate praise and worship starts the day each morning by students gathering together in the IB. The worship department selects various songs that have made an impact on the students and a yearly CD is recorded. The annual, live-recordings have been attended by alumni and the community since 1974.

PRAYER ROOMS

The Founder, Gordon Lindsay, was known to be a man of prayer. His most often quote, "Everyone needs to pray at least one violent prayer a day," is enacted in designated prayer rooms across the campus. This spiritual discipline has been a pillar of the Institute since its inception. Prayer is offered each morning in chapel and before classes. Prayer is offered before staff meetings and throughout the campus at various times and places. Prayer rooms have been built to facilitate prayer. The Gordon Lindsay House of Prayer (GLHP) is located on the first floor of the Freda Lindsay World Missions Building. A Front Lines Israel (FLI) prayer room is situated on the south side of the Main Auditorium and west side of Parham Hall in the IB.

FASTING

Fasting is a Christian discipline, which is encouraged at Christ For The Nations; however, a student who desires to fast longer than a three-day period should discuss the matter with the appropriate dean.

NIGHT OF WORSHIP

On the second Friday night of each month, the worship team leads a night of worship for students, staff, alumni and the community. These times of refreshing have been pivotal in helping students find future direction.

LOCAL CHURCH ATTENDANCE

Students are encouraged to attend Sunday services at a local church of their choice. Involvement in the local church benefits the students. A local church is also located on campus for the

Student Handbook

convenience of the students or for those who do not have vehicles.

BIBLE READING

Co-founder, Freda Lindsay, taught students to read three chapters in the Bible a day, and five chapters on Sunday. This schedule helped them to read through the Bible in one year. Some discipleship courses require daily Bible reading and many classes use the Bible as a textbook.

The student employment office was established to assist students or their spouses in securing temporary or permanent employment. The student employment officer is located in the Student Center and is available from 8:30 a.m. to 5:00 p.m. each weekday to discuss employment opportunities that are currently available. Employment opportunities may be viewed on the Student Informer web page at <http://informer.cfni.org/>. Students may also submit a resume to the student employment office that will be viewed by employees looking to hire CFNI students. The student employment office also hosts a job fair at the beginning of each semester in addition to providing other job assistance opportunities.

CFNI STUDENT INFORMER

The Student Informer is the official publication used by CFNI to communicate important information to the student body. It is located on the Internet at informer.cfni.org. Students will be held responsible to know the information that is provided through the Student Informer. Students may submit announcements for posting on the Student Informer at the attendance office. Only approved announcements will be posted. The deadline for submitting announcements to the attendance office is noon on the Wednesday before publication.

INTERNET CONNECTIVITY

A Secure-Wi-Fi network named “STUDENTS” is available in all Institute buildings after 12 p.m. Monday-Friday and all day on the weekends. To access this Wi-Fi, use the email address you use in your Student Portal together with your Student Id as printed on your access card for the password. The first time you try to get access to the Wi-Fi, you will be presented with the option to accept a secure certificate from the authentication server, which you will need to accept. You will then be shown a splash screen where you will have to accept the terms and conditions of the CFNI Wi-Fi network. Please ensure that you tick the checkmark on this screen signifying you accept the terms and conditions. After this step is complete, you will be connected to the “STUDENTS” Wi-Fi network. The same set of credentials may be used in the AGAPE HOUSE dorms for internet access in those apartments.

An open Wi-Fi named “CFNI” is available in all Institute buildings after 12 p.m. Monday-Friday and all day on the weekends. With the exception of AGAPE HOUSE, which has only Wi-Fi access, every apartment on campus has one (1) Ethernet port for wired internet access,. You will need to provide a your own device, such as an Access Point, to create your own Wi-Fi network in your apartment (please note DSL/cable modems will not work properly on campus and are prohibited). Students are expected to refrain from accessing, viewing, or purchasing any pornographic material or content. This includes summer and all breaks. To help facilitate this, the Internet on campus is filtered for inappropriate content. As with any content filter, it may not block all expected material, so using caution when ~~using~~ accessing the internet is still advised. Peer-to-peer traffic (such as torrents) is also blocked. For further information including tips on improving your internet experience, we highly recommend reviewing our in-depth network guide which can be acquired by e-mailing internet@cfni.org or join our Facebook page at “CFNI - IT Department Support”.

STUDENT HEALTHCARE

All students are responsible for their own healthcare needs. The only exception to this is the international students who are studying by means of an International Work Scholarship. Work Scholarship students who are injured while working for the school are covered under Workers' Compensation.

Domestic students may be able to obtain medical insurance at little or no cost through the Affordable Care Act; other students may qualify under their parents' health care benefits. In case of life-threatening emergencies, please dial 911, and seek urgent medical attention.

For non-emergency situations, a nurse is on duty to assist the students with medical issues. The Nurse's Office is located in room 103 in the Student Center Building and the nurse has posted hours during the school terms as follows:

CONFERENCES

Throughout the years, the campus has hosted seminars and conferences that have educated and inspired those who attend. Seminars of many varieties such as summer seminars, women’s conferences, worship conferences, pastor’s conferences and others have been conducted in many of our auditoriums.

Each summer, the CFNI staff facilitates youth and children camps. There are four (4) weeks of Youth For The Nations (YFN) programs and one week of Spanish Youth For The Nations (SYFN.) These camps are for teenagers. The campus is also large enough to support a concurring children’s day camp for three (3) weeks out of the summer called Kids For The Nations (KFN). A one (1) week overnight camp called Preteen Impact is also available to help transition students from KFN to YFN.

Since 2011, Ginger Lindsay, CFN Board Vice Chairman, CFN Magazine Editor In Chief and Director

Student Handbook

of Voice of Healing, has hosted a healing conference, which has facilitated healings and miracles by world-renowned speakers.

MUSEUMS

Two museums are being constructed on campus. The Heritage Museum is being built on the first floor of the International Headquarters Building and will house the many artifacts and history of The Voice of Healing and Christ For The Nations ministries.

The Museum of Earth History (MOEH) is located on the first floor of the Freda Lindsay World Missions Building and supports, which explains and defends the Bible based Creationist's View.

MAIL SERVICES

Students must use their own street address and apartment number for their mailing address, NOT the CFNI box number or general delivery. When changing apartments or leaving CFNI, postal regulations require that correspondents be immediately notified of the change of address. A change of address card must be filed with the Post Office and the housing office notified of your forwarding address.

Students who plan to leave school in May should notify the publishers of their second, third, and fourth-class mail (magazines, brochures, church programs, etc.) of the new address at the beginning of the semester in January. December graduates should notify publishers in September.

Students who do not know where they will be living after leaving school should use their parents' address or another permanent address.

Thirty (30) days before school is out students should notify all of their first class correspondence of the address they will be using when they leave. Change-of-address cards are available on-line at www.usps.com. Students' campus addresses are only temporary and should not to be used as a business address or placed on permanent stationery. Students needing a business or permanent address should rent a postal box.

All mail will be returned to the sender if these rules are not followed.

CAMPUS SECURITY

Christ For The Nations provides a 24-hour security service for students, staff, residents, and visitors that monitors the safety and security of people and property. The department is maintained by uniformed officers and is licensed under the Texas Private Security Bureau. Security related questions or concerns can be answered by calling 214-302-6200. If you have a serious or life-threatening emergency, call 911 before calling security. Security office is in the IB.

EMERGENCY NOTIFICATION SYSTEM

Student safety is our highest priority. All students are encouraged to program their cell phones with the CFNI security phone number, which is 214-302-6200. CFNI has implemented an emergency notification system that sends emergency texts to student cell phones in the event of an emergency. According to Texas state law, students must be automatically enrolled in this system upon the commencement of each semester. To enroll, simply text, [@cfni411](https://twitter.com/cfni411) to this number 81010

SAFETY TIPS

Colleges and Universities are a target for crime in America. Christ For The Nations is located in a suburb of the largest metropolitan area in the south. There are many safety tips provided by the police department that can help students so they won't encounter danger.

Students should avoid walking or jogging alone and should jog only within the confines of the campus. Women are discouraged from going to local shopping areas by themselves. Students should be cautious when outdoors after dark and should remain in well-lit areas, even while in groups. After dark, it is important that students escort one another on campus. If anyone is unable to find a friend to accompany them, they may request an escort from security.

Do not invite strangers onto the CFNI campus, except for public meetings. Students should not give out their own or anyone else's address, phone numbers or gate codes. Anyone soliciting money on campus should be referred to security. Security will direct them to the appropriate benevolence organizations that have the ability to offer assistance.

CFNI is an open campus, which means the roads and streets throughout campus do not fall under our jurisdiction. Please use crosswalks when crossing campus streets.

Apartment/dorm doors and windows are to remain closed and locked when not being physically used. Doors are not to be left open while residents are running to the laundry or to their cars. Window shades are to be closed to prevent observation from outside during hours of darkness.

Residents are accountable for their apartment key and should contact CFN security if they are locked out of their apartment. A lock-out fee of \$5.00 will be added to the student's account.

Unattended vehicles are better protected when the windows are rolled up and the doors are locked. Leaving valuables, such as purses, book bags, computers, packages, or other items in your unoccupied vehicle may tempt criminals to break your window to steal them.

CARE AND USE OF STUDENT ID/ACCESS CARD

Students are responsible for the treatment and use of their student ID badge. This access card is only to be used for the cafeteria, identification, attendance, and campus door access. This card is

Student Handbook

not to be lent or used by anyone other than you. Misuse will result in disciplinary action. The access card contains electronics that can easily be damaged if not cared for properly. The security department replaces defective badges for free only within the first 30 days of issuance. After 30 days, or if there is substantial visible damage to the card there will be a \$15.00 fee required to replace your ID badge. Do not deface, cover, or remove the identification picture from your badge. If violated you will be required to replace your ID and pay a \$15.00 fee.

VEHICLE REGISTRATION

All vehicles used on campus and/or parking in the CFNI parking lots, with the exception of visitors of less than three (3) days, must be properly licensed and have a CFNI vehicle registration sticker or temporary permit. There is a \$5.00 fee for vehicle registration. Vehicles on campus for more than three (3) business days without a registration sticker or a temporary permit are subject to fines and may be towed.

The recovery of the vehicle, as well as all applicable charges associated with the tow will be the responsibility of the owner of the vehicle. To register a vehicle, students may submit their vehicle information to the security department by contacting the security office, in the Parham Hall of the Institute Building, or emailing security@cfni.org or calling 214-302-6202.

Vehicle registration requires the following information: the current vehicle's license plate number, the make, model, year, state registered in, and color of the vehicle, and the owner's personal information. A serialized parking permit sticker will be provided at the same time the vehicle is registered, which must be placed on the lower right hand corner (outside) of the vehicle's rear window or right side of the vehicle's rear bumper.

Registration stickers are not transferable when a vehicle is sold. Each new vehicle must receive a new sticker. Removing the registration sticker upon the sale of a vehicle will prevent the old owner from receiving fines from violations incurred by the new owner.

A temporary parking permit, valid for up to two (2) weeks, may be issued to students waiting for registration, plates, or insurance on a recently acquired vehicle. Guests of campus residents staying longer than three (3) days must acquire a temporary permit, which will be good for the duration of their stay. Temporary parking permits must be placed on the rear-view mirror of the vehicle to which they are issued. Expired permits are subject to a \$30.00 fine, assessed to either the owner (if a resident) or resident to whom the visitor is a guest.

It is the responsibility of the vehicle owner/resident to notify CFNI security department when any vehicle registration or personal information changes, including changes of the vehicle's license plate, personal telephone number or owner/resident address. Accurate vehicle information is essential for owner/resident notification in case of issues with their vehicle. Failure to maintain accurate vehicle information with CFNI security could result in fines.

VEHICLE REPAIRS

The campus does not maintain facilities for residents to do major vehicle repair work or fluid changes (oil, transmission, etc.) on campus. Minor repairs, such as tire or battery changes may be done, but there are no designated areas for these repairs. At no time should vehicles that are jacked up be left unattended. Violation of this policy will result in a \$30.00 fine and/or the vehicle being towed from campus. Call CFNI security before you begin if you have any questions concerning authorized on-campus vehicle maintenance.

Student Handbook

INOPERABLE VEHICLES

In an effort to keep our campus beautiful and clean, the city fines CFNI for inoperable vehicles. If your vehicle is temporarily inoperable, you must contact the security department on the day it becomes inoperable for instructions. Permanently inoperable vehicles must be removed from campus, or they will be subject to a \$30.00 fine and/or being towed.

BICYCLES

All bicycles are to be registered with the security department. This will enable easy identification of the bicycle in case of theft.

TRAILERS AND CAMPERS

All trailers and campers must be registered with the security department. Trailers and campers may not be parked in normal vehicle parking areas. Contact security to find out where to park trailers and campers on campus.

PARKING LOTS

All vehicles in dormitories, apartments, and marked spaces (such as 30-minute spaces, staff, private, and guest) must be parked facing forward except in the IB and Bookstore parking areas. This is to allow visibility of the vehicle registration sticker.

Please respect reserved spaces in residential/dormitory areas. In all other areas, students may park in reserved spaces after 5:00 p.m., provided the vehicle is moved before 7:30 a.m. the following morning unless otherwise noted with the appropriate signs. Violators of this policy may be fined or have their vehicle towed at their expense. Students may not park in security parking spaces at any time. When the offices are open, students may not park in guest, private, reserved staff, staff, or maintenance parking spaces.

Parking spots with dashed lines or spots without a line on both sides of the vehicle are considered no parking zones and should be avoided at all times. Taking up more than one parking spot due to parking on or over the line may result in a fine.

Parking in fire lanes (as marked by a red line) is also prohibited. The city of Dallas defines a vehicle as parked if no one is in the driver's seat. Violators may be fined up to \$300.00 by the City of Dallas or the Dallas Fire Department and may be towed without notice at the owner's expense.

Students are fined \$30.00 by security for not adhering to these parking policies, exceeding speed limits, parking in a handicapped parking without permission, distracted driving (such as texting), and for extended parking beyond the restricted 30-minute parking spaces. The 30-minute restriction does not apply after 5:00 p.m. or when the offices are closed. The speed limit on campus is five (5) mph, unless otherwise posted. You will be fined \$30.00 for violating the speed limit.

FINES AND FEES

All forms of payment for tickets, lockout, ID, or registration fees will be paid through your student account at the finance window in the Student Center. Vehicle registration fees and ID replacement fees need to be paid in advance before receiving either your parking sticker, or your new badge. Be sure to bring your receipt to the security office as proof of purchase. Tickets for parking or moving violations as well as lockout fees are not required to be paid in advance. You have 7 days to appeal a ticket charge after that the ticket will stand. It is entirely up to the security department on whether a violation fine will be charged or changed to a warning. The likelihood

Student Handbook

of a ticket being altered is conditioned on whether the student has been issued previous campus violations, or the severity of the violation.

WEAPONS

Weapons, fireworks, or explosives of any kind are not permitted by students on campus. According to the Texas Penal Code PC 46.03a (page 119), a person commits an offense if he or she goes on the physical premises of a school or educational institution while in possession of firearms, illegal knives (blade over 5.5 inches long), clubs, or prohibited weapons of any kind. This offense is classified as a third degree felony and is punishable by imprisonment of two (2) to 10 years and a fine of \$10,000.00. According to Texas Penal Code PC 46.05a (page 121), prohibited weapons include, but are not limited to, any explosive devices, illegal knives, and chemical dispensing devices larger than a keychain.

STUDENT CONDUCT

STANDARDS AT CFNI

The Bible not only provides doctrinal beliefs for the Church, it also provides a standard for conduct and life-style. The CFNI standard of conduct is based upon the teachings and principles of Scripture. CFNI seeks to develop personal holiness and discipline, which is exemplified in a lifestyle that is glorifying to God. CFNI provides biblical training for Christian discipleship and leadership with its traditions springing primarily from Pentecostal, charismatic and evangelical roots. Since spiritual education involves intensive Bible study, practical ministry experience, and the development of sound discipline, the Institute requires that each student agrees to adhere to the following standards while at CFNI:

STATEMENT ON MARRIAGE, GENDER AND SEXUALITY

Christ For The Nations believes that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God. (Genesis 1:26-27.) Rejection of one's biological sex is a rejection of the image of God within that person.

We also believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. (Genesis 2:18-25.) We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. (1 Corinthians 6:18; 7:2-5; Hebrews 13:4.) We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman. Therefore, any form of sexual immorality, including adultery, fornication, homosexual behavior, bisexual conduct, bestiality, incest, and the use of printed, videoed, or virtual pornography is unacceptable. We define adultery as the turning of one's intimate affections to someone other than the spouse. Sometimes, but not always, these affections culminate in sexual activity. Fornication includes any form of sexual intercourse, oral sex or any physical contact producing sexual stimulation outside of a marriage relationship.

At the same time, we believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. (Acts 3:19-21; Romans 10:9-10; 1 Corinthians 6:9-11.)

Any sexual misconduct/harassment will be treated as a serious offense, which may result in dismissal and/or reporting to the local law enforcement. The following definition of sexual

Student Handbook

harassment applies: unwelcome advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitutes sexual harassment when the conduct is abusive, severe, and persistent. In the event that a violation on campus should occur, students and/or staff are expected to immediately contact a dean. For incidents, which occur off-campus, immediate recourse is to the local police and then to be reported to the Dean's departments.

DISPLAYS OF ROMANTIC AFFECTION

Unmarried students are expected to refrain from all displays of romantic affection. Public displays include holding hands, prolonged embraces, or any manner of kissing whether on or off campus. This applies to both on-campus and off-campus students. Out of respect for fellow students, married couples should use discretion in their public display of affection.

STATEMENT ON RESPECTFUL BEHAVIOR

Christ For The Nations believes God gave society the Ten Commandments so we could learn to respect God, respect people and respect the property of others. When we fail to adhere to these Commandments we disrespect authority, we disrespect others and we disrespect the rules.

We respect God and honor His Word when we abstain from occult practices of the supernatural and mystical phenomena outside of the work of God's Spirit. We respect His authority when we refrain from dishonesty, cheating, falsifying attendance, falsifying documents—and intentionally disregarding the policies and regulations of the Student Handbook

We believe that every person must be afforded compassion, love, kindness, respect, and dignity. (Mark 12:28-31; Luke 6:31.) Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture or the doctrines of Christ For The Nations Institute. Therefore, we deem the following as unacceptable behavior: threats, harassment, intimidation, defamatory, language, slander, public humiliation and any behavior involving actual or implied physical peril. These include but are not limited to written or verbal assaults, using profanity, vulgarity and obscenity in speech or written materials, including any form of social media.

Other unacceptable behavior includes the disrespect of other's such as theft and stealing, which is the possession of another person's property without permission.

There are some standards at Christ For The Nations that are not necessarily sinful in nature, but are established for the purpose of unifying the campus and for the betterment of the whole student body. At Christ For The Nations the use and possession of alcohol, tobacco, electronic cigarettes, non-medical narcotics or hallucinogenic drugs, including marijuana are not acceptable, this rule still applies even if the particular drug is legal in your home state.

It is considered inappropriate for students to attend concerts and clubs that include dancing or atmospheres that are contrary to biblical values.

Other rules include: not walking on the grass, but using the sidewalks instead, dressing modestly, maintaining clean dorm rooms and apartments, not jaywalking at the Kiest crosswalk, not honoring curfew, not respecting others by entertaining unauthorized guests in apartments overnight, and disregarding the rules about opposite genders in single residence apartments.

STUDENT DISCIPLINE

The Deans of Men, Women, and Families implement policies and procedures, behavioral fines, probations, and dismissals. The President, COO, and the Institute Administrator are ex-officio members of all committees of the Institute. The Student Conduct Committee consists of the

Student Handbook

following: Institute Administrator, Men's Deans, Women's Deans, Dean of Families.

- **Discipline Procedures** - Every student should be familiar with the Student Handbook, which outlines personal accountability. Students who disregard or violate the standards are subject to a fine. International Work Scholarship students will be subject to a fine or work detail. The deans provide spiritual counsel to the students, which help them maintain a spiritual relationship with God and to be in good standing with the school.
- **Freedom Road Program** – The Freedom Road program is for students who are looking for growth and victory over struggles in their life. This program will help students overcome patterns in their thoughts, emotions, words, and behavior that are contrary to the truth of God and their identity as a new creation. This restoration program meets as a class 2 days a week before chapel for the length of the semester. Freedom Road currently costs \$250 and there will only be a maximum of 15 students each semester, who must register ahead of time to be enrolled. Students on Disciplinary Probation are required to be enrolled in this Program, including any students(s) highly recommended by the Deans. In the event that there are more than 15 students, the Institute Administrator and the COO will appoint another staff member to minister to the other students.
- **Probation/Dismissal** - Each respective dean's office is responsible for probations and or/dismissals and are approved by the Institute Administrator. There are two kinds of probation:
 - In-house probation is a status where students may not participate in the RA student ministry, any campus leadership or student council. They may participate in any other student ministry, field trips and outreaches, but will be restricted from leadership within that particular ministry.
 - Disciplinary probation is a status where more serious offences have occurred. Students on Disciplinary probation may not participate in public platform ministry, music ministry, outreaches, student council, student ministry leadership, RA ministry, or any extracurricular activity. Students who are on Disciplinary probation are subject to a fine of \$100.00.
 - Dismissal status is when the respective deans deem the student to be unable to continue his/her studies, for spiritual, moral, psychological, or other reasons. Students who have been dismissed by a dean have 24 hours to make a written appeal to the **Institute Administrator, who will consult with the COO for a final ruling on the appeal.**
- **Appeal Process** – Students desiring to appeal a dismissal must submit a written request to the Institute Administrator and the respective Deans Department within 24 hours. If the Institute Administrator feels that there is evidence to support an appeal hearing, the Institute Administrator will schedule a meeting with the Student Conduct Committee to hear the appeal otherwise, you will receive an email denying the appeal. When an appeal is upheld, the student should properly exit the school by surrendering the ID Card, parking sticker and contacting the Institute Business Manager to finalize any unpaid bill. Then they must vacate the campus within 72 hours. Campus visits require a dean's approval; re-enrollment requires a new application. All check-out procedures must be completed according to the instructions from the Deans and the Housing Department. It is not permissible to store items or reside with others on the CFNI campus. The Institute Administrator and the Registrar will provide the final decision on re-enrollment after a dismissal.

ACCOUNTABILITY

The Deans' Departments endeavor to help students abide by the Institute's objectives and standards in word and deed. Students are also expected to hold one another accountable and to confess serious moral failures and violation of standards to their appropriate dean.

DISCIPLINARY FINES

Students who violate the standards may be fined \$50 to \$100.00. Students who are placed on disciplinary probation will be fined \$100.00. Students required to enroll into the Freedom Road Program must pay the cost of the program, which is \$250.00.

BYSTANDER FINES

Bystander fines are assessed to students who have first-hand knowledge that their fellow students are violating regulations, but fail to confront or report it and/or lies about it when asked.

DRESS CODE AND GROOMING

Christ For The Nations Institute is an international ministry that services students with different dress styles from around the world. The standards of dress and hairstyles are applicable to both single and married students, their spouses and teenage dependents. The dress code is in effect while school is in session and for students who remain on campus between sessions. The purpose of a dress code is not to deprive individuals of personal prerogatives, but rather to provide a unified representation with dress and hairstyles conforming to a set standard.

As a follower of Jesus Christ, our appearance should be modest and not call attention to ourselves. CFNI students are expected to be clean, neat, dressed in good taste and avoid bizarre or extreme styles.

STAGE/TRAVEL MINISTRY ATTIRE

The following guidelines concerns acceptable platform wear under normal circumstances. Its application pertains to student speakers, worship leaders, musicians, singers, choir members and other platform leadership roles (ie. student council, etc.). Follow the CFNI dress code guidelines strictly remembering that we are not only being seen here on campus, but also being live streamed on several platforms. If you are a part of a travel team, honor the dress code set forth by the host ministry. If they do not have a dress code, the CFNI classroom attire dress code should be followed.

MODESTY

We define modesty as wearing apparel that does not expose or highlight the private areas of women and men. We consider it immodest for men and women to wear clothing that is tight and revealing, unless it is worn as undergarments to shorts and shirts. Women's apparel may not include midriffs. Revealing necklines and revealing sleeveless attire are not permitted. Sheer apparel is not permitted unless it covers apparel that is not sheer. Skirts and dresses must have modest length (slits should be modest as well). Formal wear must not be revealing in the front or back. Men must wear shirts, unless they are in their dorm rooms, apartments or at the pool.

CLASSROOM ATTIRE (Also includes Tuesday Night Encounter)

The standard classroom attire is to be worn during classes, special services, conferences and Friday Night Worship. Appropriate men's attire includes slacks, nice jeans (without holes and worn at the waist or above, this includes jeans with holes that have leggings) dress shirts, sports shirts, sweaters, nice sweatshirts or t-shirts with acceptable/appropriate logos are permissible. Semi-formal dress is also acceptable.

Appropriate women's attire includes skirts (no shorter than 3 inches above the *middle* of the knee) and blouses, sleeveless blouses with a strap wider than 2", dress slacks, nice jeans (without holes)

Student Handbook

Distressed jeans are acceptable; no skin above the knee can be shown. If the jeans are tight a shirt long enough to cover to the top of the leg is necessary. Spandex/stretchy jeans, leggings, jeggings and tights are NOT acceptable. Nice sweatshirts or t-shirts with acceptable/appropriate logos are suitable. Semi-formal dress is also permitted.

Casual dress is not permitted when classroom or event attire is required. International students may wear formal dress attire from their nation, including ethnic head-wraps and hats, if approved by the Deans department. The Deans have the discretion to determine whether or not clothing is inappropriate.

No hats are allowed to be worn during any class time and during Tuesday Night Encounter (TNE's).

Dress code violations will incur a \$25 fee.

CASUAL ATTIRE

Students may wear classroom attire at any time; however casual attire is acceptable on campus in the following areas: parks, sports fields, student lounges, cafeteria and the gym. Shoes or flip-flops must be worn at all times except in the apartments, dorms and around the pool.

Appropriate casual attire includes modest shorts that are not shorter than mid-thigh, loose fitting sweat pants, hats and flip-flops, tank tops and sleeveless shirts are permitted, provided they run to the end of the shoulder and cut close under the arm. Workout capris and pants are permitted, provided they are not sheer and are covered with a loose top that extends mid-thigh, completely covering the rear.

POOL/GYM ATTIRE

Modesty for both men and women includes clothing that is not tight and revealing, unless worn as undergarments to shorts and shirts.

Appropriate pool attire *for women* includes cover ups to and from the pool. A modest one-piece or tankini with straps is acceptable for swimming. The midriff must be completely covered. Shorts must be worn at all times.

Appropriate attire at the pool *for men* includes swimsuits that are not racing swimsuits. It is only appropriate to go without shirts and shoes in the dorm floors and apartments.

GROOMING

Pre-existing tattoos, piercings, and gauges are permitted for CFNI students at the discretion of the deans' dept. Students are expected to refrain from obtaining new tattoos at any time, including school breaks.

Any questionable attire may be called to the attention of the wearer and referred to the respective dean for his/her staff for approval. If confronted by leadership for inappropriate dress, the wearer is expected to change their attire immediately. Failure to comply will result in disciplinary action.

SOCIAL RULES FOR SINGLES

Colleges and Universities are a gathering ground for single students. Christ For The Nations is blessed to have single students who come to this campus for the sole purpose of pursuing God and fulfilling His will and direction for their lives. We are also blessed to have sufficient housing to accommodate our students. The Gordon Lindsay Tower is a 10-story building that was purchased from the Sheraton Hotel and facilitates the men's dorm. Mary Martha and Agape are the women's dorm apartments, which facilitates the first and second year students.

Because of limited space in the dormitories, computer monitors/flat screen TV's may not exceed 32 inches. Out of respect to roommates, who prefer to study or for it to be quiet, students who want to listen to music should use earphones and keep stereos at a low volume.

COURTYARDS

For the purpose of accountability, it is not acceptable for a single man to enter a single woman's apartment and vice versa. An exception, such as a special event, is only granted with advance permission from the dean's department. This includes alumni and staff housing.

Women are permitted on the first floor of the GLT at anytime, but not beyond the elevators. Men may visit the women's courtyard, but must leave 30 minutes before curfew. Quiet must prevail in all family housing courtyards after 9:00 p.m. and single housing courtyards after 10:00 p.m.

UNDER EIGHTEEN

CFNI accepts some single students who are under 18 years of age. They are accepted by special privilege and are expected to follow certain stipulations to stay at CFNI. These students require parental approval, as well as the list of guidelines, which includes the no dating, no curfew extensions—except with special permission—and weekend extensions with family only. Overnight/weekend passes are only granted with the parents' approval.

CURFEW

Students living in Mary-Martha, Agape, and GLT are expected to be in their apartments at 11:00 p.m. on weekdays and 1:00 a.m. on weekends or when school is not in session the next day, i.e. holidays, breaks, or snow days. Students who need to be out past the curfew time should obtain a work pass from their appropriate dean in advance. New passes are required each semester. Students must be in his/her own quarters at curfew.

Overnight passes for single students may be obtained by making arrangements 24 hours in advance with the appropriate dean's department. (Students on probation must meet their probationary stipulations.) Additional stipulations will apply if you're traveling with members of the opposite sex.

Dating is a common practice, but students are expected to respect each other and the CFNI policies, not only during the school semester, but during all breaks and holidays, as well. Students must use caution not to participate in activities that are inappropriate and listed in the Student Conduct section.

ENGAGEMENT AND MARRIAGE

CFNI recognizes an engagement that is approved by the students' parents and/or pastor; however, respective deans are to be contacted prior to an engagement announcement. Couples contemplating engagement or marriage during their time at CFNI will be interviewed by the

Student Handbook

respective deans. After consultation, the couple will meet with the Dean of Families. At the end of the semester, the staff and faculty has a time of prayer with engaged couples, so interviews should be completed two weeks prior to the end of the semester. Engaged couples are expected to receive pre-marital counseling through their home churches/pastors.

Student marriage ceremonies may take place between semesters. To prevent hasty marriages, students who become engaged and married without the deans' acknowledgment or consultation are subject to dismissal and must have the approval of the Dean of Students before re-enrolling. An international student on work scholarship who marries while they're at CFNI will automatically forfeit his/her work scholarship.

STUDENT FAMILIES

Christ For The Nations places high value upon families and the important role the parents play in raising godly children. Because of the increased demands, related to education and employment, parents are strongly encouraged to not neglect the family development that is needed in their daily schedule. We provide services for children and teens, except during classes. For their protection, proper supervision should be given to those who do not attend their respective meetings.

When playing outdoors and in the parks, children five (5) years of age or younger must be attended by a person 12 years of age or older. Children 12 years or older may be left alone in the apartments while parents are out of the complex; however, "Look in" arrangements are encouraged, and teens, who are congregating in apartments without supervision, is discouraged.

Curfews have been established for the safety of campus children. Children 10 years and younger must be with their parents or chaperoned in their apartments after sunset. Children 11 and older must be in their apartments by 10:00 p.m., unless they are with their parents. Courtyard and park area noise must be curtailed after 10:00 p.m.

FELLOWSHIP

The CFN campus is a Christian community that encourages fellowship among the students; however, to avoid a wrong appearance, married persons may not have guests of the opposite sex in the apartment when their spouse is not present, unless another adult or teenage child is present.

FAMILY PARK PLAYGROUND

Christ For The Nations has built a family park playground to be used by students, staff, resident alumni, and invited guests. It is not used for groups or others who are outside organizations, except of KFN during the summer conferences. Skateboards are not permitted in the area and trash receptacles have been provided for your convenience.

A walking track skirts the perimeter of the park. Bikes, scooters, and roller blades are to use the outside lane, while walkers, joggers, and strollers are to use the inside (left) lane. Common courtesy is expected.

A portion of the playground has artificial ground covering, which should not be removed and thrown. It is not conducive for children's mobile toys.

A picnic area is equipped with tables and a grill that must remain in the park area. Common maintenance and removal of the ashes is done by those who use the facility.

Student Handbook

SINGLE PARENTS

We respect the need for developing relationships; however, to avoid the appearance of evil, a single parent must inform either their RA or a lead RA before entering the family apartment of a member of the opposite sex, except when another adult, teenager, or child(ren) are present. During the visit, the curtains must be kept open, and guests must remain in the front rooms.

CAMPUS CHILDREN

Children are a heritage from the Lord, and we treat them as such; however, City regulations prevent running or riding anything inside the walkways or up the stairs, which includes roller skates, roller blades, skateboards, or riding any kind of vehicle and playing on balconies, stairways, or walkways in front of apartment doors within the complexes. For the children's protection, they should not run, play, or ride any type of vehicle in the parking lots, except for the designated parking lot behind Jack Moore Hall. Children have designated play areas and equipment has been strategically placed on campus for their convenience.

Christ For The Nations offers several children's programs during the school year: Daytime Preschool Program, Tuesday Night Preschool, Terrific Tuesdays and Breakthrough 567.

The preschool program is provided for parents with children who are walking at thirteen months through four years old. This unique and specialized spiritual training for preschoolers includes praise and worship, Bible teaching, memory verses, prayer, and personal ministry. Your children benefit from an outstanding academic program and enjoy crafts, games, special events, outdoor play, and nutritious snacks. A child will be placed in the Preschool according to his/her age on September first.

The Preschool program is provided while parents attend classes. In order to qualify for the CFN Preschool, one parent must be a full-time student at CFNI. Enrollment in the CFN Preschool is limited to a first-come—first-serve basis. Preschool children must have proof of first course of immunizations for enrollment and can only be enrolled and picked up by parents or legal guardians. Students who babysit other children may not put children in the Preschool, while they attend CFNI services or classes.

Current CFN Preschool fees are available through the student finance office. Fees apply to children of both students and staff/faculty and include class materials and snacks. A supply list of needed items is given to the parents at the beginning of each semester. Parents are expected to bring the items on this list.

CFN Preschool Hours are Monday-Friday between 7:45 a.m. until noon. Tuesday nights Preschool Hours are between 6:40 p.m. and the close of the service.

A Tuesday night Preschool service is provided while parents attend the Tuesday Night services. Parents are asked to pick up the children promptly at the close of each service. If there is personal ministry at the end of the service, please pick up your child first and then return to the auditorium for ministry.

Tuesday Night Children's Ministry (Terrific Tuesdays) offers an exciting ministry program for children ages 5 through 4th grade each Tuesday evening that school is in session. Our goal is to allow every child to experience a life-changing encounter with the living God. Terrific Tuesdays provide the opportunity for such an encounter.

Breakthrough 567 is for preteens in grades 5-6-7 (at least 10 years old). The first Tuesday night

Student Handbook

of every month is designated as “Family Night.” There is no Breakthrough 567 on this night, so the children may have an opportunity to worship with their family in the IB100.

Family Night is designated on the first Tuesday night of each month. At that time, Terrific Tuesdays and Breakthrough 567 have the opportunity to worship with their families in the IB100.

ALUMNI CONNECTION

Upon graduation, students will want to stay connected to CFNI and the campus, and take advantage of the benefits that are offered to the alumni. Whether the alumni live in the Dallas Metroplex or around the world, we are all one, great-big family. The alumni office will provide many opportunities to join the association during your time as a student.

TRANSITIONAL HOUSING

All non-staff housing units are designated as student housing; however, there is a limited number of campus apartments that students do not use. These are allocated for alumni who are transitioning away from CFNI. Transitional housing is temporary, economical housing that financially stabilizes the students while they continue their education or pursue mission endeavors and careers.

Based upon availability, transitional housing is provided for CFNI graduates in good standing. The CFNI Property Management’s office will provide a lease agreement outlining the specific guidelines which will remain in effect for the duration of the lease. An application is required. After the application is approved, a Security Deposit, equivalent to one month’s rent (depending on size of the apartment and location) is required upon signing the Lease Agreement. The entire process is done at the Property Management’s office, located in the Head Quarters building. You may contact them at propertyoffice@cfni.org/214-302-6404 or visit the website at property.cfni.org.

International student graduates in an approved Optional Practical Training (OPT) program can qualify for twelve (12) months in transitional housing. The application may be obtained from the CFNI Property Manager. There is no penalty for leaving within any lease; however, thirty (30) days written notice is required.

MINISTRY PLACEMENT

All CFNI students and alumni in good standing may access ministry placement information available through the placement website <http://Jobs.cfni.org> by selecting First Time User Registration. Students have access to search online job postings and to create online resumes. Placement listings are added daily and divided into categories according to ministry opportunities. These opportunities are received from churches and organizations worldwide having positions they wish to fill with qualified CFNI graduates. All inquiries concerning ministry placement should be directed to: thirdyearcoordinator@cfni.org

Placement also hosts a Job Fair at the beginning of each semester to give students opportunities to interview with organizations offering current employment opportunities.

CFN FELLOWSHIP OF MINISTERS AND CHURCHES (FMC)

At the completion of their studies at CFNI, students have the opportunity to become recognized as a licensed or an ordained minister through CFN FMC, which is the credentialing arm of Christ For The Nations. The application process usually occurs during the final semester. Those who receive credentials from CFN are required to become members of the FMC for accountability purposes.

There are many benefits of joining the FMC which include: receiving ministerial credentials,

increased credibility with a world-wide Christian organization, relationship with accountability, receive biblical support and assistance as needed, Church/ministry affiliation with ongoing support, annual spring conferences, 501(c)3 tax-exempt status (for those who qualify; case-by- case basis), and use of Ministers Retreat. FMC offices are located in the Christian Conference Center. For questions please call 214-302-6307, email at fmc@cfni.org or visit www.cfnfmc.org.

ASSOCIATION OF BIBLE SCHOOLS

When students graduate from Christ For The Nations, they often return to their own countries and start Bible schools using the CFNI model. Presently, CFN has over 60 Bible Schools located around the world. Alumni desiring to start a Bible school in another country should contact the International Ministries Director at the International Headquarters building.
